104524 (CHSAA - Post Season)

Referee Rank Defined
This number is a combination of an official's referee expertise rank and referee decline rate.

Example #1: A referee who has mastered the skills to be an expert on the court will receive a rank of a 1, and has less than three declines in a season will have a rank of 00; making their final draw rank 100.

Example #2: A referee who has mastered the skills to be an expert on the court will receive a rank of a 1, and has four to nine declines in a season will have a rank of 49; making their final draw rank 149.

Example #3: A referee who has mastered the skills to be an expert on the court will receive a rank of a 1, and has ten to nineteen declines in a season will have a rank of 99; making their final draw rank 199.

Example #4: A referee who has mastered the skills to be an expert on the court will receive a rank of a 1, and has more than twenty declines in a season will be moved to the next group of officials with a rank of 200.

Referee Rank - Final

Referee Expertise Rank
Rank 1 - 5
Referee expertise - higher mastery, lower the #

Referee Decline Rank
Rank 00 - 99
Based on decline rate - higher the rate, higher the #
