

CVOA Volleyball Post Season Guidelines

The CHSAA volleyball post season is defined as all tournament games played in a Sub-district, District, Regional and or State play-off setting.

A CVOA referee must meet the following eligibility requirements to be considered for selection to work as a referee (R1 & R2) during the CHSAA volleyball post season tournament:

- Must be a CVOA member in good standing which includes:
 - Returning members must pay dues and complete the online registration in the CHSAA Arbiter account 104524 by February 1 of each calendar year
 - Attend (1) CVOA regional clinic
 - Attend (2) study sessions, one of which must be during the competitive volleyball season
 - Complete the NFHS per-season test by the first contest date for the competitive volleyball season and pass with an 90% or greater,
 - Must be a Regular Certified member with CVOA to be assigned post season games: one year certified membership for District referee game assignments, two consecutive years of certified membership for Regional referee game assignments and three consecutive years of membership for State referee game assignments.
 - Any current year an official is working counts as a one of the qualifying years
 - Actively participate in the CHSAA sportsmanship pre-game procedure
 - Take the CHSAA mid-season test by September 30 and pass with a 80% or greater
 - Participate in any mechanics and or video review that is made available in conjunction with the mid-season test
 - Apply for post season eligibility by September 30 of each year
 - Update a post season availability calendar in Arbiter account 104524 by September 30
 - Officiate (8) varsity contests during the regular competitive volleyball season
 - Officiate (2) sub-varsity contests or 20% of a referee's regular season schedule
 - State selected referee's must be available all three days of the state tournament including clinic and banquet
