

CVOA Constitution or Bylaw Proposal #2

Old – Bylaw

22) B – i – 1 Returning members shall pay dues and complete the online registration in the CHSAA Arbiter account 104524 by February 1 of each calendar year;

New – Bylaw

22) B – i – 1 Returning members shall pay dues and complete the online registration in the CHSAA Arbiter account 104524 by **May 1** of each calendar year;

Rationale: The Committee feels that although there is a need to have a cut-off date for post-season eligibility, the February 1 date has no real bearing to the beginning of the season in August. Most assignors have their draft selections in early May. The committee feels that moving the post season eligibility due date to May 1 would offer more officials the opportunity to pay their dues when it is possible for them without impacting their eligibility or the assignors during post season time. The committee feels that even though this has been well publicized for the last two years this requirement has had a profound impact on District and Regional officials as well as those wishing to be eligible to participate in State.

Note: Proposal will take effect upon approval for the 2019-20 season.
