New – Bylaw – 2 – Membership

~~After a member has been Provisional for two years, he or she shall achieve Certified status the third year, or the fourth year go to Non-Participating status or be dropped from CVOA membership. The fifth year he or she may start over and make application again as a new official.~~

Rationale: In an effort to retain as many officials as possible, this bylaw can be a road block for college students that do not get into town until after regional clinics are completed each year, and or for other members that may struggle obtaining full certification status for any reason. All members are valuable and we have a need to provide officials at multiple levels for the schools.

Note: Proposal will take effect upon approval for the 2018-19 season.
