To: CVOA Hall of Fame Selection Committee,

I am writing this letter of recommendation for the CVOA Hall Of Fame for Monica Hinds. I have known Monica extensively for the last 12 years through working with her as an official and assigner. She has been instrumental in being on top of the assigner program that CHSAA uses called Arbiter. She has trained or helped several of our other officials' assignors in becoming proficient in running this program.

Monica is a very good official and easy to work with. She has a great working relationship with coaches and Athletic Directors in the San Luis Valley and throughout the state. She is a hard working at whatever she does and easy to solve problems with her and she always has the best interest of kids in mind. She is very determined in getting jobs done and excelling at the job. She exemplifies what it is to be a great official and great leader of her officiating peers. She has a great ability to work with others, get jobs done, and always find a way to excel. She always finds a way to make things work well in everything she does.

I believe Monica be a great asset to anything she is involved within work or in life. She will be a great addition to the Hall of Fame if she is selected. Please take this letter in highest regards to get her into the CVOA Hall of Fame.

Sincerely yours,

Greg Jones
