Number of Years as a CVOA Member: 18

Current CVOA Position: Outgoing State BOD Rules Interpreter

BASIS FOR NOMINATION:

- CVOA Board of Directors - Area 2 Director: multiple years and 7 years as Rules Interpreter
- Clinician for the UNC Officials Camp in Greeley for 10 years.
- Officiated Boys Volleyball
- State Tournament official for 12 years and was honored to be selected to officiate three (3) Finals.
- In addition to being a CVOA Board member, Ray has contributed to the success of the CVOA state organization by-

- Serving on the CVOA State Test committee.
- Serving as a trainer in both Area 2 and the UNC Officials camps for new officials and worked scrimmages to help himself and fellow officials improve.

I am honored to nominate Ray Lameiro to the CVOA Hall of Fame posthumously. A key to Ray's success as a leader and official was his warm, welcoming, and inclusive nature. He brought these skills to matches as a great partner and mentor, and his demeanor kept many a coach or parent in line.

As Rules Interpreter, Ray was instrumental in the development and implementation of CHSAA's requirement for a mid-season test. The first year created some heartburn; but in subsequent years, Ray quickly found a way to appease CHSAA while eliminating barriers to keep officials from being eligible for State. Also as Rules Interpreter, he was always thorough, but never condescending. He was always a voice of reason and positive reinforcement.

Based on the above-mentioned contributions, his many years of dedication to make us all better officials, and his high level of expertise as an official, I ask the CVOA Board to consider Ray Lameiro for the CVOA Hall of Fame.

Respectfully submitted,

Brenda J Wolfe

CVOA family,

It is with great sadness we announce Ray Lameiro lost his two-year battle with cancer Friday February 2, 2024 surrounded by loved ones.

Ray joined our volleyball family 2005-06 season. During his 18 years with CVOA, he served on the CVOA Board as an area director and the last 7 years as our state rule's interpreter. He was selected to work 12 state tournaments and 3 state finals during his time in CVOA.

For those that were fortunate to meet or work with Ray, we will always remember his passion for volleyball. He always had a smile on his face and loved spending time on the volleyball court. He had a passion for wanting each of us to succeed. He was loved by players, coaches and peers. His soft approach to game management would calm even the toughest situations during a match.

Memorial service details are still being planned and will be shared once known.

We will surely miss our friend and colleague to our volleyball family.

Cordially,

Bruce Bird
CVOA President
