Enter the Libero's number next to the L; located at the top right of each tracking sheet. Enter the number of the starting player (SP) for each position in the serve order under (SP). When the Libero enters, record L next to the number. When the Libero is replaced, record the replacement player's number next to the L. When a player (not a libero) is substituted out of the set, the player's number is crossed off and the player's number entering the set is recorded. If the Libero serves, place a triangle around the serving order position in which the libero served.
